

Internship: Business Development (f/m)

Operations · Expansion · Controlling

eKomi – The Feedback Company – helps companies to gain more customers and succeed online. Using social commerce technology, eKomi collects customer feedback, product reviews, comments and recommendations. eKomi was founded in early 2008 and quickly became one of the most important international providers of social commerce technology. With a track record of over 10 million professionally managed customer feedbacks, eKomi is one of market leaders in Europe.

We are searching for outgoing and motivated personalities who seek to face new challenges in the dynamic field of social commerce. The Business Development internship would provide you with practical knowledge and new and exciting experiences. Our international Business Development team is heading new projects in order to expand our business in Europe, the US and worldwide. Interns on this team will have the opportunity to apply their theoretical knowledge and learn new skills and strategies.

YOUR TASKS

- Assisting in the identification of exciting business models
- Creating and presenting company and market analysis independently and proactively
- Developing a project plan, and controlling the implementation of the project
- Assisting in the development of initial product prototypes, and conducting market tests

YOUR PROFILE

- Business school student / graduate
- First-hand project management experience
- Independent and results-oriented work style
- Strong communication, interpersonal, teamwork, organizational and analytical skills
- Ability to think outside the box
- Proficiency in Excel
- Excellent knowledge of English (other languages are a plus)
- Excited to face new challenges in the field of social commerce

eKomi
The Feedback Company

This post-graduate/student internship has a flexible start date and a duration of 3-12 months. This is a paid internship (salaries will be discussed at a later point in time).

What we offer...

...quick integration into a dynamic and international team in our centrally located headquarters in Kreuzberg, one of Berlin's most attractive and diverse districts. Just 5 minutes away from "Moritzplatz" subway station and just a stone's throw from Friedrichstraße, surrounded by cafés and restaurants, our location provides the perfect work-life balance.

Our startup mentality offers flexible working hours, free coffee, snacks, an attractive salary, a limitless commission scheme, flat hierarchy and open communication directly from our interns to our CEO. In addition, we offer assistance in finding accommodations for our employees.

And to top it all off...we offer team spirit. Our employees enjoy great benefits via our partnerships and the ideal working environment playing Foosball and celebrating together at our annual Christmas party, summer festival, and monthly eKomitment, overlooking Berlin.

If you want to be part of a fast growing international company, please apply either via <http://bit.ly/1bJ1QOr> or send us your application to jobs@ekomi.de referring to "ERASMUS".

We look forward to meeting you!
